Malik Arslan Asif

Web Developer (MERN Stack Developer)

EXPERIENCE

FigOver Devepolers, *Islamabad*

— Back-End Developer (Drupal Php)

April 2023 – Present

In my role at FigOver, I serve as a back-end PHP developer specializing in creating modules for the Drupal CMS platform in PHP. My responsibilities include designing and implementing code to enhance the functionality and features of the CMS.

Digitech Ultra, *Rawalpindi DHA phase II*

— Full-Stack Developer (MERN)

October 2022 – March 2023

Developed full-stack web applications using MongoDB, ExpressJS, ReactJS, and NodeJS during a 6 months internship. Collaborated with team members to build scalable and responsive web solutions.

EDUCATION

University of Gujrat

Bachelor of Computer Science

2018
